

The Green House Education Project Facilitator Application Process

Hi there,

Thank you for your interest in applying for the position of Facilitator at The Green House.

If you wish to apply for this position then please send the following to us by the 8th January 2021:

1. Your current CV
2. A short video in response to three questions (see below)
3. A written response to three questions (see below)

Video:

Please would you send us a short video response to the three questions below via WhatsApp to Nicola on 07734278344. Allow a maximum of 2 minutes for each question. We are asking for a video to get a sense of you in person.

1. How do you feel adults can best support children?
2. Share with us your favourite experience of working with a child or group of children.
3. What personal development are you currently engaging in.

We are aware that sending in a video may be daunting. Here are some ideas that might make it easier:

- Ask someone to ask you the questions or interview you
- Write your answers down and read them to us
- You can also be spontaneous in your response and simply share what comes up
- The important thing is that we can see and hear you, rather than the quality of the video.

If the thought of sending a video means that you are unlikely to apply then please contact us and we can come up with another creative solution together.

Written questions:

Please email us a written response to the following three questions. Allow a paragraph for each question with a maximum of 500 words for all three questions. We are wanting to hear the essence of your response, we may ask for more details if you are invited for an interview.

1. Please share with us what you would do in this situation: there is one ball and two children would like to play with it.
2. In what way do you see self directed education impacting children and adults' lives? What are some the benefits and what are some of the challenges.
3. Please share with us some practices that you have found supportive in working as part of a collaborative team..

The next step after this is a face to face interview. If you are invited for an interview we will notify you by the **18th of January 2021**.

The face to face interviews will be held in the week of **Monday the 25th to Saturday 30th January 2021**.

Following the face to face interview the next step is interacting with the children onsite. This will take place in the week of **Monday the 1st to Friday 5th February 2021**. Candidates invited to participate in this step will be sent further details close to the time.

The start date for the position is early March 2021.

Looking forward to hearing from you.

Warmly,
The core team
